

gifts of real estate

Finding land upon which to build is one of Habitat for Humanity Halton/Mississauga's biggest challenges. A gift of real estate enables you to make a bigger charitable difference than you may have thought possible. It also helps you to avoid estate taxes and minimizes or eliminates any burden placed on your heirs.

Gifts of real estate range from personal residences and vacation homes, to rental properties, farmland and commercially developed land. You may choose to donate real estate outright and receive an immediate tax credit, or to retain the property for use during your lifetime and make it a 'planned gift' in the form of a Gift of Residual Interest.
