## New Year, New Name A New Way of Telling You the News!

### So, what's new?

**Short and Sweet:** As an organization, we're growing fast! But we want to take you with us as we grow. That's why our NEW newsletters will give you just enough to keep you 'in-the-know', while also ensuring we don't flood your inbox and you don't fall asleep reading our emails. ☐☐

**For the Eager Beaver:** For those of you who are looking for more our newsletters will also contain a [link](#) that takes a deeper dive at the topic being discussed.

**Take Action:** Our new newsletters may be shorter, but that doesn't mean we can't have a big impact together. Each newsletter will allow you to learn more about the difference you have made. It's part of our mission to empower you to become an active member of our organization, whether it be as a monthly donor, a volunteer, or a strong supporter.
